THIRTY-NINTH PUBLIC SALE OF
RARE COINS

To Be Sold by Mail Auction
to the Highest Bidder Without Reserve
TUESDAY, MAY 15, 1928, BY

M. H. BOLENDER

P. O. Box 34

Orangeville, Illinois

To Collectors—You will find a great variety of numismatic material in this sale, some choice and rare items, and will be well paid for giving the contents of this sales list your careful perusal.

My last sale was not so large, but I am with you each month regularly, and this month with a big sale of over 700 lots. I shall continue my monthly sales during the summer months. Therefore, keep on my mailing list by sending a liberal number of bids.

Collectors of experience find that not all dealers classify coins alike.

My classifications and descriptions are based on knowledge gained through 15 years of earnest dealing in coins. I have endeavored to refrain from over-rating the quality of a lot, which is so common. I believe that the word "RARE" should not be over-worked.

Please remember my strong guarantee. If goods are not satisfactory (you are to be the judge), you are at liberty to return them without any danger of offending.

New bidders should send references or a deposit of at least 25 per cent of bids.

Coins will be bought as much below your bids as possible, as this is competitive bidding carried out in good faith.

If you do not know how much to bid on any item, write me and I shall be glad to inform you as to its value.

Receipted bills are not sent out after your remittance as this is unnecessary. Your check, draft, or money order itself is a receipt and we ask you to pay only once. However, if a 2-cent stamp is enclosed we will send receipt.

Some new unsolicited testimonials recently received:

"I am enclosing my check for March sale purchases. I am very much pleased with these coins, and in fact, I think anyone can depend on the condition of your coins being as they are described. It is a pleasure to buy coins from a dealer I can depend on."

"I have today received what you have sent me from your April sale and must say that I am more pleased with today's receipts than ever before. They seemd to me an extraordinary value."

"I am more than pleased with the coins. I will say that you do no over-rate the condition. Do not forget me when you hold your next auction as I will know better how to bid, knowing full well the condition the coins will be in."

Let me sell your collection or duplicates in these sales. Quick returns and satisfactory results are realized. My sales are held regularly each month. Write for terms.

Please bid by the piece unless stated to bid for the lot.
